Report of the Epworth League Board.—The Report of the Epworth League Board was read and adopted as follows:

REPORT OF THE EPWORTH LEAGUE BOARD.

To the Members of the Louisiana Annual Conference:

We have read with profit and edification the message of our General Secretary, entitle "A Plea for Co-Operation," which we believe strikes at the root of the whole situation. We have not had the full co-operation of everyone from whom we needed it, therefore, results of our work have not come up to our greatest expectations.

The last year has been peculiarly trying on our young people organizations, as the very heart and manhood of our leagues have been called to give themselves for the great cause of the world humanity. Some of them have fallen but thank God they have fallen with their faces heavenward. Others are wounded and will come back to us with the realities of life more serious than ever before. We have done what we could for their comfort and pleasure while in camps, both at home and across the sea, and we want to do just as great a work for them and for the younger boys when they return. We heartily endorse the assessment ordered by our last General Conference, believing that this is the psychological time for reviving and enthusing new life into our Epworth League work, we have planned for an assembly to meet in Mansfield some time in the month of June for this purpose.

Be it therefore resolved:

First—That we fall heartily in line and co-operate in every way possible with this new financial plan.

Second—That in order to meet our present financial crisis a pastor in co-operation

with each presiding elder and the District Secretary be authorized as a committee to raise this money and turn it over to our Conference Treasurer, to be appropriated as directed—by the Conference President.

Third—That we as an Epworth League co-operate heartily in the Centenary movement.

Fourth—That Anniversary Day be urged in every church in our Conference whether they have a League or not. W. E. THOMAS.

Resolutions on Horse Race Gambling.—S. H. Werlein read a paper condemning the resumption of horse race gambling in New Orleans, which was unanimously adopted as follows:

RACE HORSE GAMBLING.

Inasmuch as Race Horse Gambling has been resumed in New Orleans, we deem it important that as a Conference representing a constituency of 250 preachers and 40,000 church members in the State of Louisiana, we should place ourselves on record as solemnly condemning this evil and appealing to all people who favor righteousness to discourage and denounce it.

We deem Horse Race Gambling as absolutely subversive of the moral welfare of any community which tolerates it. We not only denounce this iniquity, but we also hold up to public condemnation the promoters and advocates of it. While our soldiers have been enduring great sacrifices, many of them having lost their lives in defense of our Country, men who have studiously avoided the field of battle and all hardships attendant on military service, are using the liberty and protection secured at the cost of the lives of American heroes to foster an institution which is diametrically opposed to the Christian Religion and which to a marked degree counteracts and impedes the effectiveness of a preached Gospel.

Almost every State in the Union has outlawed this nefarious business, and it is a matter of humiliation to all good citizens that Louisiana has within its borders a class of men who employ every effort to defeat the Locke Law, and by their ingenuity manage to escape conviction as violators of the Law.

They claim that Race Horse Gambling attracts multitudes from all over the Country to New Orleans, and that these visitors pour out hundreds of thousands of dollars into the coffers of the merchants and hotels of the city. Leading business men in New Orleans have declared that general business is not stimulated or increased by the presence of these annual Race Horse patrons, but that on the contrary business with them is uncertain and often unsatisfactory, and in many instances their interests have been imperiled by employees who have yielded to the temptation to bet.

We are of the opinion that the only men who are financially benefited by the Race Horse Gamble are those who are locally interested in prosecuting it, and do not doubt that they use methods by which they reap all the profits. The "easy money" with which gambling rewards its dupes produces a fascination for the game which only the Grace of God can overcome. Covetousness is one of its offsprings and this is the inspiration which emboldens these gamblers to defy the frown and censure of an indignant public. Thousands of the young men of New Orleans, young men for whom Jesus Christ died have been financially and spiritually ruined by Race Horse Gambling.

Instances of tragical pathos could be easily cited. They have been offered up on the altar of this heartless and brutal Moloch, and the organization known as the New Orleans Business Men's Racing Association is criminally guilty before God and man for the moral havoc resulting from their operations. Their persistent endeavor and determination to perpetuate Race Horse Gambling has become a menace to the homes, to the churches, to business and the civic life of New Orleans and Louisiana. They have encouraged ideals and standards of conduct which lower the manhood and womanhood of the people of Louisiana.

We call on the Press of New Orleans and Louisiana to arraign this monstrous evil and arouse against it the censure of the people. We invoke the aid of the Legislature of the State of Louisiana to enact such laws as will utterly abolish all forms of gambling. We recognize the splendid service which the Citizens' League of Louisiana has already rendered, and specially commend the work of the Committee of One Hundred. This Committee has fearlessly stood for Law enforcement and has repeatedly called to the attention of the Grand Jury and Police authorities evidence of the violation of Law, and of connivance on the part of some public officials in this evil. The President of the Citizens League and his coadjutors deserve the thanks and recognition of the Church and all loyal and patriotic citizens of Louisiana, for the brave and self sacrificing efforts they have made to expose the malfeasance of public officials and to en-

courage the faithful performance of official duty made absolutely obligatory by the oath of office.

Report No. 1 of the Commission on Finance.—W. S. Holmes read Report No. 1 of the Commission on Finance, which was adopted as follows:

REPORT No. 1 OF THE COMMISSION ON FINANCE.

To the Louisiana Annual Conference.

Dear Brethren: Your Commission on Finance has been notified by the Board of Apportionments that the assessment upon the Louisiana Conference for General Work is $34,000.00, this amount being two per cent of the whole assessment of $1,700,000.00.

We recommend that the assessment for the Superannuate Endowment Fund be fixed at $1500.00, and that this sum be added to that for General Work, thus making the assessment for General Work $35,500.00.

We also recommend for the ensuing year a Conference assessment of thirty-five thousand, five hundred dollars, the same having been arrived at after careful consideration of the needs of the several causes as follows:

Sunday Schools	$ 3,500.00
Epworth Leagues	1,200.00
Conference Missions	11,500.00
Conference Education	11,000.00
Conference Claimants	7,000.00
Conference Minutes	600.00
Conference Treasurer and other Expenses	700.00
Total	$35,500.00

We find that upon the double percentage basis figured on Ministerial Support and Membership for last year the ratio for the different districts should be as follows:

District—	Ratio
Alexandria	.1320
Baton Rouge	.1313
Lafayette	.1270
Monroe	.1376
New Orleans	.1309
Ruston	.1620
Shreveport	.1792
Total	100%

We therefore recommend that the assessments for Conference Work and for General Work be apportioned to the districts as follows:

Districts—	Ratio	Conference Work	General Work
Alexandria	.1320	$4686.00	$4686.00
Baton Rouge	.1313	4661.00	4661.00

New Orleans	.1309	4647.00	4647.00
Ruston	.1620	5751.00	5751.00
Shreveport	.1792	6362.00	6362.00
Totals	100%	$35,500.00	$35,500.00

We also recommend that Brother A. M. Mayo of Lake Charles be elected Confer-

ence Treasurer and that he be paid a salary of twenty-five dollars ($25.00) per month.

Respectfully submitted,
W. S. HOLMES, Secretary.

Dear Brethren: Your Commission on Finance begs leave to make the following supplemental report:

We recommend that the bond of the Conference Treasurer be fixed at ten thousand dollars, the premium on which is to be paid out of the assessment of seven hundred dollars levied by the Conference for that and other purposes, and that the Legal Conference be made the custodian of the said bond.

We recommend also that each Conference Board determine the amount of the bond to be required of its own treasurer, that each Board pay the premium on the bond of its treasurer, and that the Legal Conference be made the custodian of the bonds of the treasurers of the several Conference Boards.

Respectfully submitted,
W. S. HOLMES, Secretary.

Report of the Sunday School Board.—The report of the Sunday School Board was read and adopted as follows:

REPORT OF THE SUNDAY SCHOOL BOARD.

To the Louisiana Annual Conference.

Brethren: Your Sunday School Board herewith submits its report No. 2: The Church has abundant occasion for thanksgiving in increased interest in Sunday school work in all parts of the connection. The increased use of graded literature indicates better methods and more systematic work. The increased number and enrollment of Wesley classes indicate a new and very effective kind of class in Methodism. The many appeals made to our schools, for financial and moral support, by every kind of uplift movement, and public interest, indicate a confidence, on the part of the world, in our strength and good will that gives us just ground for gratification. As a missionary agency the Sunday school has unspeakable possibilities. As an evangelistic agency, it is the chief hope of the Church in the next generation. As a financial agency, it is the one hope that we have of raising up a generation of Christians who will be faithful stewards of the Lord's goods committed to their care.

But the Sunday school must be fed as well as worked, to accomplish the best results. And your Board, by your endorsement, has maintained its efforts this year to render such assistance and advice and inspiring and encouraging information to the Sunday school workers of the Church as will assist them in making their schools genuine schools of religion and efficient in every branch of their work.

We have maintained Rev. C. V. Breithaupt in the office of Field Secretary and he has traveled throughout the Conference in carrying on his work.

One month after Conference Miss Nellie Richardson accepted the offer of our Church in Alexandria to work as assistant to their pastor so we have been deprived this year of the services of an Elementary Superintendent.

We have supplied Sunday school literature to three Sunday schools in the convict camps of the State, and to other needy schools, and have supplied Children's Day programs to some schools to encourage them to observe Children's Day.

For the third year your Board sent its Field Secretary to the Training School for Sunday school workers at Lake Junaluska, North Carolina.

We believe that a larger use should be made of this splendid school by our Sunday school workers and we commend it to any of our workers who are in position to take advantage of its opportunities.

We wish to emphasize again the importance to our Church, and we believe, to the kingdom of God, of some discretion in the use of special days to emphasize special subjects.

More worthy causes are appealing to our schools than we can support and we should be extremely cautious that we support no cause that is unworthy.

We have cleared the deficit of 1917, and with a few unpaid subscriptions still on the list, we are coming to the close of this year clear of debt.

After three years of experience in the employment of a Field Secretary we believe that the office has justified its existence and we recommend that the policy be continued.

Rev. C. V. Breithaupt finds it necessary to retire from this work, and we request the appointment of Rev. Alonzo Early to this office.

Our receipts for the year are as follows:

On 2 per cent assessments	$1857.00
On Children's Day	1022.00
On deficit by extra subscriptions	898.00
Total	$3777.00

Our disbursements are as follows:

To Miss Nellie Richardson for December	$ 75.00
To Miss Nellie Richardson, deficit for 1917	250.00
To Rev. C. V. Breithaupt on salary	2000.00
To Rev. C. V. Breithaupt, deficit for 1917	516.00
To Smith & Lamar	190.00
To General Conference Sunday School Board	254.00
Office Expense	255.00
Junaluska Expense Fund	109.00
Sundry Expenses	20.00
Total	$3670.00
Balance on hand	107.00

Respectfully submitted,

H. W. BROWN, Chairman.

J. A. ALFORD, Secretary.

Hunter, an elder in the Methodist Episcopal Church, having subscribed to our doctrines, and having assumed our ordination vows by telegraph, was received into our Church as a traveling elder.

Report of the Committee on Christian Literature.—The report of the Committee on Christian Literature was read and adopted as follows:

REPORT OF THE COMMITTEE ON CHRISTIAN LITERATURE.

Your Committee on Christian Literature presents the following report:

Never before in the World's history has the influence of Christian literature been so signally marked, and its uses and powers vindicated than in this present day. The Press is confessedly the most important factor in making and shaping public and personal opinion on all great questions germane to our American life. The newspaper, the magazine, the numberless books, which are accessible to all, and exploited by busy, efficient publishers, crowd our homes and fairly dog our footsteps on the public thoroughfares. For good, for evil, for life, for death, this Titanic force is at work in our midst. As a Church we are partially using this tremendous agency while false sects and cults of various kinds propagate doctrines false to God, and subversive of the highest and best interest of humanity. We submit the following to your consideration.

The Father of Methodism was an unwearied publisher and distributor of tracts, periodicals and doctrinal literature. A teaching Church is a growing Church, and our people need thorough and systematic indoctrination. Ignorance is the bane of any form of spiritual and intellectual life. To know, in the Divine sense, is to live.

We most heartily endorse the Sunday school literature, issuing from our publishing house at Nashville, the Christian Advocate, under the editorship of Dr. T. N. Ivy; the Methodist Review, and our own Conference Organ the New Orleans Christian Advocate.

We commend the action of the Publishing Committee, in the election of Rev. H. T. Carley, as editor and the selection of Mr. C. O. Chalmers, as publisher.

We recommend a renewal of the campaign of last year, in the interest of the New Orleans Christian Advocate, with Dr. J. M. Henry as Chairman of the Committee, making the goal to be reached 1000 new subscriptions, and a renewal of all subscriptions now existing.

As the great Centenary movement for the next half decade, engages the energy of the Church, we earnestly urge upon our ministers and people, to intensify interest in this matter, by the liberal distribution of literature explaining its aims and purposes.

Your Committee has in hand the resignation in writing of W. W. Drake as a mem-

ber of the Publishing Committee, we therefore recommend that Rev. S. J. Davis be elected to fill this place.

Respectfully submitted,
P. H. FONTAINE, Chairman.

Adjournment.—It was moved that when we adjourn, we adjourn to meet at 3 o'clock this afternoon.

Report of the Orphanage Board.—The report of the Orphanage Board was read and adopted as follows:

REPORT OF THE ORPHANAGE BOARD.

To the Louisiana Annual Conference.

Brethren: We your Orphan's Home Board herewith submit the reports of the Superintendent of the Methodist Orphanage at Ruston and of the Board of Directors of that institution, with the recommendation that the same be filed and adopted by the Conference.

C. C.WIER, President.
JOHN SHOLARS, Secretary.

REPORT OF THE BOARD OF DIRECTORS.

To the Presiding Bishop and Members of the Louisiana Annual Conference, M. E. Church, South:

For, and on behalf of, the Board of Directors of the Louisiana Methodist Orphanage I beg leave to submit the following report for the Conference year now ending:

The past year has been one of success, prosperity and forward movement for this institution. It has had a larger number of children under its care and control, received more money for its maintenance, and accomplished larger things than ever before in its life.

The Superintendent's annual report to the Board of Directors at its meeting three weeks ago showed that he had under his care this year 154 children; that at that time there were 118 children in the Orphanage; two more of the older girls had graduated at the Louisiana Industrial Institute and had been teaching this year in High Schools in the State at lucrative salaries and making excellent records as teachers; two of the older boys had been drafted into military service and are now in the Student Army Training Corps; seventeen children have been returned to relatives now able to care for them, and eight have been placed in good Christian homes. All of the children old enough to enter school are putting in full time as pupils in one of the best High Schools of the State and making most gratifying progress.

We submit this as a sample of the work that is being done by this institution for orphaned children, Christian civilization, and the State; notwithstanding the world war was in full swing, and the most drastic monetary demands were constantly being made on the civilian population ever known before in the history of the world.

While the institution has not handled many more children than it did the previous year, it was because there was no room for more in the Home; its full capacity having been taxed for the past two years or more, even to the extent of over-crowding. And while the prevalence of influenza throughout the State has deprived us, up to date, of the accustomed "Work Day" offering from the Sunday Schools and Churches of the State—amounting, usually, to something like one-half of our annual receipts—our cash receipts have exceeded by twenty per cent any past year of the institution's existence, amounting to $24, 325.79. The total asset value of our plant one year ago was $60,152.61; this year it is $68,758.62, or an increased value of $8,606.01.

The Board asks that you again set aside Easter Sunday and Work Day in the Churches and Sunday Schools of the State for raising funds for maintenance of the Orphanage the incoming year. And that December 22d of the present year be designated as Work Day in lieu of Work Day that was to be last month, but was not, on account of the prevalence of the epidemic of influenza and the closing of the Churches and Sunday schools in consequence.

The terms of S. D. Pearce, J. H. Mays, T. L. James and A. G. Shankle, members of the Board of Directors of the Louisiana Methodist Orphanage, having expired, the first three named were re-elected, and Rev. W. W. Drake was elected to succeed A. G. Shankle. And O. A. Wright, member of the Board, having removed from the State, J. C. Foster was elected to succeed him. And your confirmation of these elections is respectfully requested, as also the re-election of Rev. R. W. Vaughan as Superintendent, elected by the Board to succeed himself. Respectfully submitted,

S. D. PEARCE, President.

REPORT OF THE SUPERINTENDENT.

To the Honorable S. D. Pearce, President, and Members of the Board of Directors of the Louisiana Methodist Orphanage, in session at Ruston, La., November 7, 1918.

I beg to submit my Annual Report covering the operations of the Louisiana Methodist Orphanage for the year beginning November 1, 1917, to November 1, 1918.

We have had under our care during the year 154 children. We now have in the Orphanage 118. Two of our girls, Misses Earle and Leola Greer, have completed their prescribed course in The Louisiana Industrial Institute, having graduated from this institution last December, and they are now out teaching in the High Schools of our State and making most excellent records as teachers. Two of our boys have been drafted and are now in the Students Army Training Corps, and in attendance at the Industrial Institute. Seventeen children have been returned to relatives able to care for them, eight have been placed in good christian homes, five have left of their own accord and two have died.

Progress has been made in the education of our children, most of them making excellent grades and doing commendable work. Our children attend Church, Sunday School and Day School with consistent regularity, and these influences are having a marked effect in their development and equipment for life.

We have suffered two severe epidemics of illness during the year. We passed safely through a siege of the measles in the early part of the year, some fifty of the children suffering an attack of the disease. During the epidemic of influenza which we are just passing, every child in the home except six, was afflicted. We had a number of severe cases of pneumonia and two of our children died in consequence. We had about eighty children sick at one time. My wife who had been nursing night and day was taken down. Miss Keller, our House Matron was fortunately spared an attack, and with most faithful diligence and great skill, with the assistance of a number of the ladies of town of Ruston, nursed and cared for these sick children. Our own girls were most devoted in their services, and Dr. B. M. Talbot was with us night and day, not sparing himself or his time in his watchful care over our children, and he would not receive a penny for his skillful services. To each of these we are under a debt of lasting gratitude, which we can in no sense repay.

For the first time in seven years we record death in our Home. Two of our children have died during the recent epidemic. A little girl, sweet of disposition, cheery and happy hearted, has passed from us. Juanita Scott was eight years old and had been an inmate of our Home for about two years. Leverne Peterson, a midget, but unusually bright and full of energy and life was also taken from us. He had been with us but a few

months. While we record these deaths with great sorrow, we are rejoiced that so few fatalities occurred among so many afflicted children. This makes four children that have died during the existence of our Institution.

We have suffered another disastrous drouth during the year. Our crops suffered greatly, and while our early gardens were good, our crops from which we secure the produce to can was cut so short that but little canning was done. Our crops of corn, potatoes and peanuts are only fairly good. The fruit crop was unusually good, however, and we were able to put up a considerable quantity of fruit for our winter use.

The unusually fine collection as a result of our Easter effort, supplied us with sufficient funds to carry on our work during the past summer. We felt perfectly confident that our fall collections on "Work Day" would be equally as good and provide for our needs during the winter. But the universal closing of the churches and Sunday Schools on the day set apart for this collection made it impossible to raise the amount necessary to carry us through. Many of our friends have helped greatly by making a personal canvass of the community, and some individuals have realized the disaster to our cause and made special contributions. Some few of the Sunday School Superintendents out of the goodness of their hearts have advanced money for their schools, and thus provided temporary relief. Many of the churches and Sunday Schools will yet take the collections and send the money in. But we have necessarily suffered a great setback, and we are confronted with a rather serious conditions.

As we have no liabilities, $68,758.62 represents the actual worth of our Institution. We carry fire insurance to the amount of $28,000, and a policy to cover $15,000 tornado insurance with all premiums paid.

But little active effort has been put forth in our effort to secure funds for the new building. Yet we have secured in cash and good subscriptions approximately $25,000. We feel very sure if this matter could be properly presented to our people the needed funds would be forthcoming.

Our recent epidemic of serious illness, greatly emphasises the need of the new building, and especially the infirmary feature of our plans. With our building crowded as it now is, and no infirmary, or other facilities for isolating children when they are taken sick, we are absolutely unprotected from the spread of disease, and the consequent danger to the lives of our children.

We urge that you present to the forthcoming session of the Louisiana Annual Conference the imperative need of immediate relief, in lieu of the failure to secure the usual funds by our "Work Day" effort this year. We would again ask that Easter Sunday, in the spring and "Work Day" in the fall be designated as Orphanage days, and that all

churches and Sunday schools be urged to devote these days to the raising of the necessary funds with which to operate our Institution.

Thanking you again for your unstinted devotion and interest to our great work, and trusting your plans for the future may bring success and continued prosperity to the Orphanage, I am, Your servant,

ROB'T W. VAUGHAN,
Superintendent, Louisiana Methodist Orphanage.

Report No. 1 of the Board of Education.—Report No. 1 of the Board of Education was read and adopted as follows:

REPORT No. 1 OF THE BOARD OF EDUCATION.

The critical importance of Education fostered by the Church and permeated by the fundamental principles and forces of Christianity, has been fully and fitly recognized in the action of our recent General Conference, in which it is asserted that "The Christian College and University, alone, can make the world safe for democracy and democracy safe for the world, by sending out an ever-increasing stream of educated Christian men and women, dedicated to the task of realizing in the life of the world, human brotherhood, a real Christian international order. The present war will be quickly followed by a far more titanic and fateful struggle, a contest for the spiritual supremacy of Christ in the life of the world. Success in this second war will largely depend upon America, and more particularly upon her Christian Colleges and Universities." The challenge thus presented to the Church through our Educational leaders and accepted by the General Conference, is emphasized by all the indications of the time. The new emphasis upon the importance of Education, openly recognized by the national government, is sure to result in a taxing of the capacity of all our colleges as soon as peace is fully restored, while the new emphasis upon the spiritual element in Education is sure to set a higher value in the public estimation upon the Education that is based upon the Christian ideal.

The action of the General Conference in providing for a great campaign during the quadrennium to equip our colleges and universities adequately for their work, was wise and timely. The Church is to be congratulated upon the fact that during the past quadrennium, some $8,000,000 has been added to the resources of our colleges and universities.

We heartily endorse the campaign inaugurated by the General Conference to raise $10,000,000 for our Universities and assure the authorities of the Southern Methodist University, in whose territory our Conference is situated of our readiness to co-operate with their plans of development.

We further endorse the movement to secure $13,000,000 for the better equipment of our Schools and Colleges, and propose that our Conference lay plans as early as possible to bear our part in this movement, placing our own institutions upon a more secure and permanent basis.

As a Board of Education we have taken action affiliating with the Methodist Educational Association, organized under the authority of the General Conference; and we recommend that the next session of the Association be invited to meet in New Orleans.

We look with grave concern upon the threatened scarcity of candidates for the ministry through the demands of the war and the insistent call for leadership in other lines.

We recommend that our preachers not only comply with the Discipline in preaching annually on the call to the ministry, but that in keeping with the Master's call We urge our congregations to "Pray the Lord of the harvest that He will send forth laborers into his harvest."

We rejoice to learn of the excellent work being done by the School of Theology of Southern Methodist University in the training of young men for a virile and effective ministry, and are gratified by the information that its enrollment last session was 98, an increase of more than 10 per cent over the previous session.

We would call the attention of all undergraduates in our Conference to the law passed by the last General Conference requiring them to take their course through the Correspondence School or at a Preachers' Institute, and to the fact that they should take their courses through the Souhern Mehodist University. In pursuance of the action of the General Conference providing for the appointment of a commission on Religious Education of Methodist students in State institutions, we nominate Revs. C. A. Battle, J. W. Lee and H. T. Carley on such commission.

At the close of a four year period in the administration of the Educational affairs of the Conference, we would review the work and progress of the interests committed to our hands. At the organization of our board, we found that there was no money in

the treasury and the bond and interest due at once, with other outstanding obligations of the Board involved practically an indebtedness of over $3000. All of this indebtedness has been discharged each bond of he Mansfield College indebtedness, with interest has been met when due, and money is now in the treasury to meet the bond and interest due January 1, 1919, and also the interest due July, 1919.

We have also increased the appropriation to Centenary College from $1600 to $2500. This task has been accomplished by a definite policy by which regular annual collections have increased about 50 per cent, by means of a reasonable and proportionate increase in the assessment, and by constantly keeping before our people the needs and importance of our Educational interests. In addition to this healthy increase in regular collections, we found it necessary in 1915 to take special collections of about $5000 to meet the obligations accumulating on the bonded indebtedness at Mansfield, besides pushing the Centenary College Special planned by the former Board to a total of somewhere near $3500. In addition to the above-indicated administration of the finances of the Board, we have assisted, as opportunity arose, in promoting the definite plans initiated by our Colleges. We are glad to report that during our term of office. a local campaign in Shreveport has given Centenary College an endowment fund of more than $50,000 net, and impart as a result of the publicity of that campaign, the enrollment of students in spite of war conditions is larger than for years past.

We are happy to report, that the patronage at Mansfield College has so increased, beyond all past records that it was found imperative to erect an additional building which, with accompanying improvements cost approximately $14,000. About $9000 of this was raised, chiefly in Mansfield and vicinity, and your Board is convinced that Louisiana Methodism can not better invest $5000 than in providing for the payment of the balance necessary. The additional accommodations thus provided are already taxed to the limit.

We recommend that President Bobbitt be authorized to secure said amount of $5000 by solicitation in any way he may think best, and assure him our hearty cooperation.

We recommend the following as members of the Board of Trustees of Mansfield Female College: Clerical—W. W. Holmes, C. D. Atkinson, Paul M. Brown, K. W. Dodson, J. G. Snelling, W. L. Doss, Jr., C. A. Battle, H. N. Brown, Wm. Schuhle, J. M. Brown, A. S. Lutz. Lay—W. M. Pollock, J. M. Nabors, Jr., A. M. Mayo, J. G. Palmer, N. R. Grigsby, Frank Hunter. Dr. J. M. Midleton, D. W. Jordan, S. G. Sample, A. P. Talliaferro, W. L. Calhoun, C. B. Hicks, S. A. Kidd, R. E. Bobbitt, Ex officio.

The Board recommends the appointment of W. Winans Drake as Conference Secretary of Education.

We take pleasure in announcing that the Seashore Campground School, fostered in part by the New Orleans District, is having the best attendance of its history; and we earnestly commend it to our people for their patronage.

Signed:

J. F. FOSTER, Vice-Chairman.
W. WINANS DRAKE, Secretary.

Report of the American Bible Society.—The report of the Bible Society Board was read and adopted as follows:

REPORT OF THE BIBLE SOCIETY BOARD.

That the Bible is the most sought after book in the world is demonstrated by the fact that the output of the American Bible Society alone to say nothing of the output of the many other publishing and book distributing agencies, was 4,818,564 copies of the Scriptures, in their various forms and languages. Of this number, more than three million copies, as whole Bibles or portions of the Bible, were given or sold to the soldiers in the service of the United States Army, and of the whole number 221,795 were distributed by the Southwestern Agency, of which our State is a part, the issues being in thirty different languages.

Since democracy can be made safe for the world when alone it is founded upon the principles of the moral and social laws of the Word of God, and upon the individual's guaranteed right to search its truths for himself, and it is his constant habit to reverently do so, we believe that there is upon us a new demand for circulating and teaching the Holy Scriptures, and we commend the work that is being done to this end by the American Bible Society as one of our benevolences, and pledge anew our individual efforts to put the Scriptures into the hands of our people, and to more and more enlist them in studying its truths and meditating upon its precepts.

S. H. WERLEIN, Chairman.
M. HEBERT, Secretary.

Report of the Committee on Temperance and Social Service.—The report of the Committee on Temperance and Social Service was read and adopted as follows:

REPORT OF THE COMMITTEE ON TEMPERANCE AND SOCIAL SERVICE.

With gratefulness to God we recount some of the victories, which have been won for Temperance and Civic Reform during the past year.

Our national Congress has passed the constitutional amendment prohibiting the manufacture and sale of liquor. They have made it possible for the President to stop the manufacture of liquor for the duration of the war, and have passed a law prohibiting the sale of liquor until the Army has been demobilized.

Our State has gone forward in passing the Cooper Dry Zone Bill, ratifying the Amendment to the national constitution and many of the cities and towns in abolishing the restricted district.

Although these and many other victories have been won, we are not at the end and perseverance and eternal vigilance is the price to be paid for final victory.

Therefore, be it resolved by the Louisiana Annual Conference of the Methodist Episcopal Church, South, now in session:

1. That we pledge ourselves to a continued war on the forces of vice of all kinds.
2. That we commend the work of the Woman's Christian Temperance Union and of the Anti-Saloon League of America and commit ourselves and our people to their continued support.
3. That our churches shall be opened to an accredited representative of the Anti-Saloon League each year.
4. That we recommend the re-appointment of Rev. A. W. Turner as Superintendent of the Anti-Saloon League of Louisiana.
5. That we commend President Wilson for his attitude in signing the war-time prohibition bill, and using his office in prohibiting the manufacture of grain into beer and wine;

The Congress of the United States in passing the National Constitutional Amendment Bill; and

Governor R. G. Pleasant and the State Legislature for the ratification of the Na-

tional Amendment and prohibiting the sale of liquor within twenty-five miles of Camp Beauregard.

T. J. HOLLADAY, Chairman.
J. W. FAULK, Secretary.

Dr. Caldwell Introduced.—The Rev. Dr. J. W. Caldwell, pastor of Carrollton Presbyterian Church, was introduced.

Report of the Committee on District Conference Records.—The report of the Committee on District Conference Records was received and ordered to record as follows:

REPORT OF THE COMMITTEE ON DISTRICT CONFERENCE RECORDS.

Dear Fathers and Brethren: Your Committee on District Conference Records, beg leave to submit the following report:

The Records of the Ruston and Shreveport Districts are neatly written but lack marginal reference. The latter also lacks the signature of the president. The Baton Rouge record is in good order as far as it goes, but fails to have recorded the proceedings of the last day's session of the 1918 Conference; also the secretary's signature.

The Journals of the Alexandria, Lafayette, Monroe and New Orleans Districts are models of neatness and order. Respectfully submitted,

W. W. PERRY, Chairman.
C. E. FIKE, Secretary.

Resolution Concerning A. W. Turner.—The following resolution was passed:

Be it resolved, That we the Louisiana Conference in session assembled do hereby most heartily commend the work done by the Rev. A. W. Turner as Superintendent of the Anti-Saloon League of Louisiana, and extend to him our heartfelt sympathy in his present illness.

Report of the Committee on Evangelism.—The report of the Committee on Evangelism was read and adopted as follows:

REPORT OF THE COMMITTEE ON EVANGELISM.

Believing that the command of the Lord Jesus Christ, when he said, "Go ye into all the world and preach the gospel to every creature" to be the most imperative exhortation to all ministers of the gospel, we, your Committee on Evangelism, beg leave to ask your most earnest co-operation, on the part of both preachers and laymen, to put forth every possible effort during the ensuing year to reach every man, woman and child in their respective fields of labor We are ready, and will be glad to assist in this great and glorious work. We hope to be able to fit our plans in with the great Centenary plan, and while we gather the material, also deepen the spiritual. We are glad to report most excellent work done by Rev. H. T. Young, our Conference evangelist, and we recommend Brother Young for General Evangelist.

The expense for the quadrennium has been $160. This amount has been covered by collections and contributions to the amount of $122. Leaving a balance due of $38.

Report of the Board of Church Extension.—The report of the Board of Church Extension was read and adopted as follows:

REPORT OF THE BOARD OF CHURCH EXTENSION.

We desire to congratulate the General Board of Church Extension on the election of Dr. H. A. Boaz as General Secretary of the Board, and we commend him to the hearty support of the entire Church.

We wish to stress the importance of the literature furnished by Dr. Boaz and to urge the brethren to avail themselves of its use. It is our opinion that education as to the importance of our cause is most necessary, and when our people are infromed we will have no difficulty in raising our assessments in full. We reiterate our request of last year, that our pastors present the cause of Church Extension from the pulpits of our churches as often as practicable, and that missionary features of the work be especially emphasized.

We again urge our pastors to make use of the birthday jars in our Sunday school. During the past year only ten Sunday schools have contributed through the birthdays jars the sum of $47.71. We deplore this loss and we desire to call particular attention to lessons of giving inculcated in the children by the giving of children to this fund. In this day when Sunday school equipment is so indispensable, we must bestir ourselves and we must pay more attention to these agencies.

There has been a steady increase in collections during this quadrennium and we rejoice in the knowledge that our people are becoming more and more enlightened in this great work which we are presenting.

The assessment for 1919 is the sum of $6,460 and we greatly desire that this assessment be paid in full.

We have a Loan Fund Capital in our Conference amounting to $1111 and we would wish that the brethren would utilize this fund rather than ask so persistently for donations.

We desire to call particular attention to the new law of our Church, which requires that all money collected for the Church Extension Cause shall be sent to the Board of Church Extension at Louisville. The new law reads as follows:

"The preachers shall see that a collection is taken up in each church annually for Church Extension; and the funds thus collected or in any other way coming into the hands of the Annual Conference Board shall be turned over to the Board of Church Extension; one-half of said fund shall be expended under the direction of the Board of Church Extension and the other one-half under the direction of the Conference Boards and within the bounds of the Conference represented; but donors may give special direction to their contribution."

We wish to call attention of the brethren to the newly-organized department of architecture of the General Board of Church Exension, and we recommend to the brethren that before building their churches, whether large or small, they consult with the department and thus avoid mistakes in construction.

We announce the following officers to serve in the new Board for the next quadrennium:

President, E. K. Means.
Secretary, F. M. Freeman.
Treasurer, R. O. Randle.

We have divided the funds at our disposal as seemed best to us after mature consideration and we submit the following:

Donations—

Powhatan	200.00
St. Mark's Hall	300.00
Cedar Grove	200.00
Algiers	500.00
Long Straw	150.00
Keener Memorial	150.00

Loans—

Chatham	150.00

WM. SCHUHLE, President.
E. K. MEANS, Secretary.
R. O. RANDLE, Treasurer.

Report No. 2 of the Board of Education.—Report No. 2 of the Board of Education was read and adopted as follows:

REPORT No. 2 OF THE BOARD OF EDUCATION.

We recommend the following address:

To the U. S. Senators and Congressmen from the State of Louisiana.

Gentlemen: The members of the Louisiana Annual Conference of the M. E. Church, South, assembled in the city of New Orleans on the 30th of November, 1918, wish to express to you, and through you to the Congress of the U. S. of America, our high appreciation of the achievements of the Congress. We are not unmindful of the fact that you have been called upon to face and to work out the difficulties that have far exceeded those that have ever confronted any legislative body in the history of the world. We take great pride in these achievements of the chief law-making body of the country.

We have stood by all your measures and have taken great delight in doing so. This has been done not from a mere sense of loyalty, but also because we have believed it right to do so.

We especially appreciate your action and that of Congress with reference to the moral welfare of the men who have been called from our homes and from the homes of our people as well as of the whole nation.

We further wish to express our high appreciation of the fact that the special war income tax law formulated by the Congress made provision that of the incomes of individuals 15 per cent might be deducted for certain religious, and charitable purposes from the amount required to be paid to the Government. We are not unmindful of the fact that this has been a sure means of continuing into the channels of religious,

educational and charitable enterprises monies that most likely would have been diverted from these necessary enterprises had not this provision been made.

We respectfully request you as our representatives and as men who are interested in religious, educational and charitable institutions for the goal of the whole country, that you consider the advisability of using your influence to originate, if it meets your judgment, and to carry through an amendment to this law making it possible for corporations to have this same privilege of 15 per cent exemption as that given to individuals. We do not believe that this would very materially hinder the total receipts of the Government and yet there are corporations who have been in the habit of making such contributions that are now given no privilege of exemption such as are accorded to individuals.

We assure you of our highest esteem and believed that you will see fit to undertake and carry through this suggestion.

Signed:
W. WINANS DRAKE, Secretary.
J. F. FOSTER, Vice Chairman.

Report No. 3 of the Board of Education.—Report No. 3 of the Board of Education was read and adopted as follows:

REPORT No. 3 OF THE BOARD OF EDUCATION.

In reference to the matter referred to us by the Conference, we recommend the passage of the following resolution:

Whereas there is now pending an amendment to the Constitution of the Young Women's Christian Association to substitute for actual membership in an evangelical church a simple declaration of purpose to follow the Lord Jesus Christ as a membership test, be it

Resolved, That the Louisiana Conference of the Methodist Episcopal Church, South, does hereby express its regret that such a step is contemplated by this honored and useful Christian organization, and urges upon its members loyal adherence to the high evangelical ideals that have heretofore characterized its work, and especially do we urge that they continue to require of all who seek their fellowship personal loyalty to Christ and His Church as the basis of their connection with the organization.

J. F. FOSTER, Vice Chairman.
W. WINANS DRAKE, Secretary.

MEMOIRS.

REV. HOUSTON ARMSTRONG.

Rev. Houston Armstrong was born near Henderson, Kentucky, December 5th, 1837. His parents were Benjamin Armstrong and Evelene Sugg. He was converted, and united with the Cumberland Presbyterian Church in his seventeenth year. He was licensed to preach in that church in October, 1857.

He said, "I was in college, preparatory to entering the ministry, when the Civil War began. I was in the Confederate Army. After the war I studied medicine, then law, trying to rid myself of the conviction that I should preach."

After he moved to Arkansas, he united with the Methodist Church in 1871, there being no Presbyterian church convenient to his home. He was admitted on trial by the Little Rock Conference, December, 1875' and concerning this, he made this interesting statement, "The Conference course of study made an orthodox Methodist of me."

He was received into full connection, December 9, 1877, and ordained deacon by Bishop Kavanaugh at the same time. He was ordained elder by Bishop Pierce in November, 1879.

Brother Armstrong came to our Conference in January, 1888, spending twenty years in effective work, and ten years on the Honor Roll. He was a man of intense spiritual fervor and preached, out of a full heart, the saving truth which inspired his own life, for, like Paul he could say, "By the grace of God I am what I am." His sermons were often ended with the shout of victory through our Christ and praise to God for pardoning grace and His love.

Brother Armstrong believed the Bible was the Word of God—that man was fallen, a sinner, and needed a Savior, Christ. He believed that we are justified by faith, born of the Spirit, that we have the witness of the Spirit, testifying with ours that we are children of God and joint heirs with Christ. He was a good man, an effective preacher, and there were many blessed by his ministry. He was a sufferer from bodily affliction for many years, and in 1908 was put on the Honor Roll.

On the 14th of November, 1918, he quietly passed from this life to that beyond. As Bishop Parker said of Rev. Thomas Jones, we may say of him, "A man of singular purity of character, he has gone not empty-handed into the presence of his God."

J. D. HARPER.

REV. J. L. P. SHEPPARD.

The Rev. J. L. P. Sheppard was born near Montgomery, Alabama, on the 8th of December, 1841; and was named for one of the most eminent clergymen of that day; Bishop Lovic Pierce.

The early years of his life were spent in the opening of the great forests of the country for cultivation and laying the foundations of the industrial life he lived to see. It was also given him in his young manhood to have a part in that great struggle where Greek met Greek and out of which came the unconquered men of the Lost Cause to take up burdens made doubly heavy during the days of Reconstruction.

We of to-day think we have labored and suffered much; but in our judgment history will record no fairer page of devotion to a cause nor deeds of more heroic and spotless figures than of those both North and South whose sons and grandsons fight under the same banner now.

Brother Sheppard was converted in early boyhood, was ordained deacon in our church in 1876, admitted into full connection in the Louisiana Conference in 1880 and ordained elder in 1882. From the time of his entering the ministry until his superannuation in 1909 he served the following appointments: Rapides Circuit, Pineville, Ringgold, Vernon, Athens, Homer, Mansfield, Keatchie, Coushatta, Presiding Elder of Arcadia District four years, Alexandria District two years, Shreveport District four years.

Fidelity to his family, to his friends, to his comrades in arms, to his brethren in the ministry, to his church and its institutions, to his Master and Lord seems to have been the most noticeable and admired trait of his characer. No task was so small but that in the doing of it he made it fine; nor so hard or heavy but he made it a joy.

Personally he was a man whom men loved and trusted in social life, in business; and even more so as a minister in spiritual things. Educationally he was a man who had no early advantages of school and college, but like so many other men of his day the compensation for the disadvantages came in assiduous private study, in breadth of reading in the choicest fields of literature. In the last few years of his life when infirmities kept him within, he was wont to read his Bible through in less time than a year; and in addition, the church papers, the daily papers, the best magazines and much of fiction. Socially he was a man of courteous bearing, easily making true and lasting friends, enjoying the company and conversation of congenial spirits of culture and refinement, but was none the less able to enter the homes of the humble and illiterate and find the point of happy contact and gladden their lives with his genial humor and helpful spirit.

As a preacher Brother Sheppard was ever painstaking in preparation, logical in presentation, pure in diction; lucid in exposition; warm and winning in exhortation; and when "Liberty" came in answer to fervent prayer sinners surrendered to his Lord and saints shouted for joy.

Along with Thweatt who founded Mansfield College and Keener who saved it from sale; and with many other great souls who have done much for the Institution must come the name of J. L. P. Sheppard. In the hour of seeming disaster his faith never wavered; and he attested it by pledging his own property and word to save the College from closing its doors and from loss to the church he loved. Personally he solicited funds to repair and build and personally he directed every detail of the labor required. Wherever he went he sought patronage and encouraged the brethren in their endeavors to keep the college on the heart of the church as a vitally necessary institution in this part of Methodism. It is inspiring to us to-day that we have the example of his unswerving devotion and it was one of the delights of his last years that he could live near the college and see with his own eyes the fruition of his trying experiences in its behalf.

For several months Brother Sheppard was a great but patient sufferer; and the writer will ever hold in sweet remembrance the Sunday afternoon visits when he let "fond recollection" bring to view the days of his boyhood, the years in war, the days of reconstruction, the incidents of his early ministry, the recollections of the splendid men and saintly women whom he had known and with whom he had served. On memory's walls he hung no sombre pictures; in his flower garden he planted no thorns; in the cup of the wine of life he found no bitter; at the close of day there was light from the eternal day; and he entered in through the gates into the city.

MRS. PAULINE GORTON WYNN.

Mrs. Pauline Gorton Wynn, was born in Natchez, Miss., on August 1st, 1844, and died on June 19th, 1918, having almost completed her seventy-fourth year. She was the daughter of Joseph Gorton and Olive Fuller Wilmarth, and in their home she, along with two sisters and two brothers, received a Christian training through the consecrated example of her parents. She did not have the opportunities of college life, but in addition to the local schools, she attended school in Troy, New York, where her training was exceedingly good for those days.

On December 25th, 1862, she was married in Waterproof, La., to the Rev. John F. Wynn, and for fifty-six years she stood by his side and proved a devoted wife and assistant in a ministry of more than usual fidelity and spiritual helpfulness.

She was the mother of eight children, two of whom died in infancy. The remaining six, are the Rev. R. H. Wynn, D. D., President of Centenary College; J. W. Wynn of Rayne, La.. Mrs. Octavia Rickey, wife of the Rev. H. W. Rickey, of the Louisiana Annual Conference; Mrs. E. W. Wall, of Baton Rouge, La., Miss Alice Wynn, of New Orleans, La., and Miss Mary Wynn, of Crowley, La.

For thirty-eight years, Mrs. Wynn's life was spent in humble homes in different sections of Louisiana. During these years she reared her children to manhood and womanhood, with such success in their spiritual training that each one of them in childhood, some at a surprisingly early age, entered into the Christian life.

Perhaps nothing in Mrs. Wynn's life was quite so evident and characteristic as the simplicity and completeness of her Christian character, for her faith and devotion were sincere and unfailing. She was a devoted student of the Word of God, and in her last illness, she would still ask for her Bible and her glasses. She was unselfish to a fault,

and her thought was always for the comfort and welfare of others, literally giving herself in service for others.

Her life was indeed a life of prayer, and with deep spiritual views of life she carried everything to God in prayer. In her later years, through physical weakness, she was subject to spells of depression, but those who knew her life never had any doubt of her unclouded spiritual sky. As a pastor's wife, discharging without stint the duties of her position, she left in every community in which she lived the sweet aroma of a rich and helpful Christian life.

In 1900 her husband felt forced to retire from the active ministry on account of the increasing infirmities of age, and from that time until her death, their home was in Crowley, La., where her godly life, her Christian ministrations and her spiritual vision were a comfort to many hearts. Near her home was a large community of poor neighbors who quickly learned to come to her for help in their troubles, confident of her sympathy and assistance.

Her death and burial were the occasion of universal grief in the community where she lived for nearly eighteen years. "Rich and poor, from the neighbor of wealth to the washerwoman's son, Protestant and Catholic, wept over the peaceful face in it's last sleep."

Such a life can not die, but lives in the living of those whom she touched, and will live on as they touch the lives of others, and also will live in glory with the Lord whom she served.

MRS. ROBT. A. DAVIS.

Sister Davis, wife of the Rev. Robt. A. Davis died at the home of her son, Mr. R. B. Davis, in Park Place, Houston, Texas, on the 17th of February, 1918. She was however a native of Louisiana, being born on the 13th of October, 1850, in East Feliciana Parish, near Bayou Sara, and was the daughter of M. P. and M. A. Day.

A large part of her girlhood and youth was spent in the vicinity of Columbia, La., and it was while living here that she met the Rev. Robt. A. Davis, a traveling minister in the Louisiana Conference. They were married January 1st, 1871, and nine children were born to them, five of whom are living, viz., Augusta, wife of Dr. R. S. Crichlow, of the faculty of the Medical Department of the Tulane University; Miss Mary Davis, of Houston, Texas; Emma, wife of B. C. Andrews of Gainesville, Texas; Robert B. Davis, of Park Place, Houston, Texas, and Miss Dalton Davis, of Houston.

Sister Davis was a faithful wife, a good mother and entered into the itinerant life with a devotion to the cause of the Master only equaled by that of her husband. For forty years she presided at the head of a parsonage table and wrought in church life, aiding her husband in every way that a faithful wife could and much of his success in the ministry was due largely, if not entirely to her management and prayerful assistance.

Having been the guest of the parsonage for a week or more at a time, I had full opportunity to observe and learn this good woman and can say in all truthfulness that she was a true woman, a simple servant of the Master, trying to live and exemplify His teachings. She was a mother in the real sense of the word, for she made her house, a home for husband and children and endeavored to rear her family in the nurture and admonition of the Lord.

She passed away in a good old age, at sixty-eight, leaving a good name, a life well spent in His service and with all calling her blessed.

MRS. JESSE FULTON.

Sister Fulton was born in what is now Red River Parish on September 10th, 1842, being the daughter of Robt. E. Hammett, known to many of the older members of the Louisiana Annual Conference "as a most devoted layman." Her mother died when she was small, but not before her Christian character had made a marked and lasting impress on the unfolding life of the growing daughter. She united with the Methodist Church when but nine years of age some sixty-seven years since, "being soundly converted and maintained her spiritual life to the end."

She was twice married. Her first husband was W. W. Brown, a Red River planter,

to whom she was married in 1859. He lived but a short while, dying during the first year of the war, leaving one child, which also passed away during the trying days of the Civil War. Her life at this time was amid all the luxury of the old plantation life with all that it signified in those days.

In 1866 she met the Rev. Jesse Fulton and became an itinerant preacher's wife, "suffering the hardships of those early pioneer days." For thirty-one years she presided over his home and radiated the sunshine of her noble soul throughout the family living, uplifting it and beautifying it with the truth and purity of her own living. Brother Fulton passed away in 1897 in Meridian, Texas, and thus left alone she made her home with her daughter, Miss Alma Fulton until God called her.

She was living on Red River alone with her negroes when Bank's army raided the Red River country and both armies crossed her plantation on their way down the river. These days tried men's souls and this good woman left alone to face the dangers of those trying days often had to defend her own property with pistol in hand against the marauders of that day. Her fields produced abundant crops and her negroes remained with her for some years after the war.

"Her religious life was characterized by an absolute faith," and to her life was a daily walk with the Master. I have frequently looked back to the days when I was guest in the home of this good woman and at that time and since have said that she was one of the most sincere and calm souls I had ever met.

It was restful to be in her presence and her simple faith and beautiful life caused one to think on holy things and yearn for the higher life. She was educated in the old Minden College under the Presidency of Dr.Slack and all through her life was a thoughtful student of life.

She died at the home of her daughter, Miss Alma Fulton, in Napoleonville, La., on May 31st, 1918, being seventy-five years of age. She leaves three sons, viz., Dr. E. S. Fulton, now with the army in France, and the Revs. J. B. and R. V. Fulton, members of the Louisiana Annual Conference and one daughter, Miss Alma Fulton.

A noble, simple, true follower of the Master died when Sister Fulton fell on sleep.

ALLYNN PERCY HOLT.

The subject of this sketch Allyn Percy Holt, was born in Mississippi, but spent most of his life in Louisiana. He was born on December 3d, 1876, and died on November 14, 1918. He received diplomas from the Peabody Normal, University of Nashville, and graduated in law from the University of Virginia.

On the following Thursday after his death the Bar of Crowley held a memorial service in his honor. I insert one paragraph from many others equally complimentary and showing the very high esteem of his fellow lawyers:

"This Bar recognizes that in the death of Allynn Percy Holt it has lost one of its most learned and esteemed members. A true Christian gentleman who lived the life that he taught, clean, upright and ethical, devoted to his family, true to his God and to his profession and friends; he has left the richest of all heritages—a spotless name."

The Crowley Church in all its activities and especially the Sunday school misses and will miss Brother Holt. I do not doubt but that he heard the "well done, good and faithful servant."

Some thirty minutes before he passed out, the writer asked him this question: "Percy, is there anything better than Christianity?" His answer was clear as a cloudless sky, "No, the world has never found anything better than Christianity, and of course it never will, and when this war is over the world is going to embrace Christianity as never before, and then it will be seen that Christianity is no failure." After this he spoke only once, which was to call Mrs. Holt.

The immediate cause of his death was the influenza, but he had not been strong for some time before. He died, but his work in Crowley will live on and clothed in the spiritual body. We expect to meet him again. His pastor,

R. W. TUCKER.
